

Knutsford RFC Notification of Changes

Dear Parents,

The Junior section of Knutsford Rugby Club has relocated from the Knutsford Sports Club to Egerton Youth Club with immediate effect. From Sunday 12th October all training and matches will take place at the youth club rather than on the cricket outfield at the sports club. The growth of the section over the last year has meant that we need more space and the move to Egerton will provide this, and will be beneficial for the continued expansion of the junior section in the coming seasons. We are excited about the move and see this as part of the continued move forward by the club and in our best interests in the long term.

Whilst initially we had hoped that this move would take place in the summer of 2009 it has become increasingly difficult to work with the Cricket section in a ground sharing arrangement. Facilities at Egerton are designed for the heavy usage of sports such as Football and Rugby and therefore should be better suited to the Rugby Club's needs. Furthermore, we feel reluctant to invest financially in the development required to improve the cricket outfield as a move in the near future was inevitable.

If you have any questions or wish to discuss things then please feel free to contact either me on 07891 488427 or Gareth Walton on 07919 620178.

Yours in Rugby

Steve Mooney, Junior Chairman

Gareth Walton, Club Chairman
